As a mayor of Sopot I would like to express our commitment to support the organisers of the 2013 XIII World Paragliding Championship Bid in Sopot. We will be happy to host such a great event in our Municipality where we made many great competitions as 2 Paragliding World Cups 2005 and 2008 as well as many International Competitions and Bulgarian, Russian and Polish National Championships.

Sincerely Yours,

Veselin Lichev
Sopot Municipality Mayor
