

Meeting 25.2.2011 - Paragliding accuracy Subcommittee Report, Lausanne

•Judging training: Expenditure 2010, Budget request 2011

○Judges training 2010

▪Uga provided seminar in Vršac, expenditure was minimal

▪Uga also provided seminars Bosnia, Indonesia,

▪Violeta provided seminar in Turkey

▪Nikki provided training in Czech Republic

○Judges training 2011 (proposed)

▪Cali, Colombia, in preparation for World Games 2013

▪Other training can be organized ad hoc on request, alongside an appropriate competition.

We want to promote the possibility to help with judges training.

•Proposal: We request a budget for Judging training in 2011 of: 3500€

•Report on upcoming WG Cali 2013 (25.7 – 4.8.2013) by Jean Marc Badan

○WG are multi-discipline event for non Olympic sport

○Chosen airports are paragliding accuracy and parachuting canopy piloting

○Winch launch for Accuracy, but they don't have a winch and have no experience

○We need technical delegate

○36 competitors plus 9 officials, we have to set selection criteria to have max. countries and best pilots

○Event director, 1 Jury, 1 liaison officer & 6 judges/winch operator

○Main questions:

▪Wind directions prevailing

▪Winching system options, price, throughput

▪Prepare document with possibilities and recommendations by the end of March

○Pilots will be selected by the formula for WAG, to be discussed later

Review of Rules:

1. Some changes to the Judging Code in S7C. See attached documentation

2. Further rule change proposals in S7C

- Uga proposals

- Using 5m target

- By current S7C is possible

- **We propose to change the sentence in the 5.6 S7C:**

- Clearly marked circles must be set at 0.5 m, 2.5 m, 5 m and 10 m radius, centred around the dead centre.

- by

- Clear circles must be marked out to the maximum radius*

- It not create problems for WPRS

- Agreed by PGASC

- Validate competition after 1 round

- Proposed change at SC7c point 4.3.3:

- Keep first sentence and add this: A competition can be validated on one round only if organizers have done everything possible to validate at least 2 rounds (ie. by using the reserve day)*

- POST SCRIPT: The above rule change proposal was withdrawn at the Plenary Meeting.**

○3. Sporting code subcommittee proposals

- S7C, 2.4.3

- PGA SC not see the reason for this addition

- S7C, 2.4.8

- PGA SC: add new point and we didn't see any reason of the reference to the chapter 5.2:

- 2.4.14 Cut in numbers

- If there is to be a cut in the number of competitors during the event.

- PGA SC: Changed the point 2.4.8:

- In the event of continued bad weather a round may be flown or completed on the day reserved for the prize-giving, in order to validate the championship, but the total championship period may not be extended.

- S7C, 2.4.13

- PGA SC: added the sentence:

- Shall be awarded to the pilots placed first, second and third in each class, with FAI Diplomas for those placed first to tenth. FAI medals will also be awarded to the National Teams placed first, second and third, and if CIVL decides, smaller FAI medals may be awarded to all members of such teams. Chapter 14 gives the protocol for award ceremonies. All full size FAI medals and any smaller FAI medals awarded up to a maximum of 6+2 will be paid for by CIVL

.The organiser is responsible for transportation and any customs costs.

▪S7C, 2.6.7

PGA SC: delete point 2.6.7

PGA SC: renumber point 2.6.8 to 2.6.7 and fix the reference to the point in the 13.3.3
