

## **Free Known Sequence Working Group Report**

**Nick Buckenham, Chairman**

This group was established at the 2014 CIVA plenary conference, tasked with submission of a proposal to the 2015 plenary regarding the introduction of the Known Free sequence format for all categories in 2016.

This proposal was considered and acted upon at the 2015 plenary; the Working Group was considered to have fulfilled its duties and thus disbanded. There is therefore no report to the 2016 plenary.

A handwritten signature in blue ink, appearing to read 'Nick Buckenham', is positioned above the printed name.
