

Proposal for the introduction of a mandatory CIA RANKING LIST

(This topic was deferred from the 2014 CIA Plenary Meeting)

Considering the FAI decision to create a “FAI REGISTERED TESTING POOL” (RTP) to take part in anti-doping “out of competition” testing, Air Sports Commissions are obliged to provide the FAI every year with possible candidates for this testing program. The criteria for inclusion in the FAI RTP shall be as follows:

The FAI RTP for January 1 to December 31 every year, shall be managed in accordance with the following criteria:

- 1. Five Air Sport Commissions (selected every year by the FAI EB and the ASC Presidents) will contribute ten athletes (two per ASC) to the RTP for every year based on the risk analysis completed For the year 2013 the following ASCs have been selected: CIAM, CIMA , CIVA , CIG, GAC .*
- 2. In each sporting area of responsibility, as defined by FAI Statute 5.2.3.3, **four athletes out of the top 100 based on the ASC official ranking list or rankings for the previous calendar year** shall be selected by the each ASC.*
- 3. The final selection of **two athletes per ASC** will be conducted by the random drawing of names by the FAI Executive Board.*

In order to be compliant with this decision, it is proposed

- to make participation in the **CIA International Ranking List** (CIA WRL) mandatory for all CIA members,
- to entrust the management, updating and reporting tasks to a special CIA WG to be created by the CIA Plenary,
- to task this WG
 - to establish, maintain and publish binding criteria for the establishment of the CIA **AA, AX and BX World Ranking Lists**,
 - to collect, on a yearly basis, all relevant information from the CIA members,
 - to include all FAI CAT1, CAT2 and National Championship events results in the calculations,
 - to publish, before the CIA Plenary, the CIA WRL for the previous year
 - to devise a catalogue of penalties for non-complying CIA members.

The CIA Rules Subcommittee and the Competitors Subcommittee are tasked to propose the required regulations and appropriate Sporting Code amendments/modifications to the CIA Plenary Meeting in 2014.
