The 2022 FAI F3F World Cup Series winners were announced at a short ceremony after the end of the 2022 FAI F3F World Championship flights, on the slope near Sobugten, Denmark. The three winners were awarded trophies (see the picture).

The trophies consist of an earth globe with a glider on the top and a stand at the bottom. It was donated by Siegfried Schödel (GER). On this occasion, Siegfried promised to sponsor such awards in the following years too.
