The jury has received a protest on the 29th of August 2024 at 17:31 pm, within the official time period for a protest from Lutsik A.M.

Regarding the protest about the size of the pilot circle as described in paragraph 4.4.3 a) pilot circle radius 2 meters. The contest director has checked the circle and we, as an FAI jury, consider that the differences is insufficient reason to restart the whole competition especially as we have run the first two rounds and this condition has applied to all competitors .

For the third round the pilot circle will be checked precisely and small corrections will be done if necessary

Protest

I noticed a non-compliance with the rules of the size of the central pivot circle at the competition in the city of Shabla. Therefore, the result of my fight and the fights of all other participants were not reliable. That is, carried out in violation of the rules, namely clause 4.4.3. Please figure it out and re-run the competition according to the rules. I believe that in the 2nd round, I was given a pass and fined 40 points for this discrepancy.

Lubo Donchev and other participants checked the circle. size 3.4.24
