

Agenda 7:

Mission & Objectives

Objectives set in 2024:

- Build a cooperation between actors within the FAI on Education**
- Set a list of actions to be realised by this cooperative team**

Where are we now ?

Two working groups focused on a limited list of projects:

1- the EduC-CIAM:

- > Rookie 1 expanded in Rookie 2
- > Paper Plane
- > Hand launch Bungee class glider
- > Drone soccer
- > Aero-challenge

On std-by:

- Water and Gas rockets
- Walkalong glider circuit
- ...

2- the EduC x-ASCs working group:

- > Paperbook and/or IFE contents for Airlines
- > the ABC and its Flamingo posters
- > Kids Zone for events
- > “Zoom in – Zoom out” project
- > Youth Camps expansion
- > Feedback from the field
- > Communication outside the Airsport world

An organised Team and an organised Documentation:

- > Basecamp is our main tool to:
 - share ideas
 - build our projects
 - deliver our work

- > Feedback is organised through:
 - a common template
 - texts and media attached

- > Each created resource can be recorded into 5 different contexts:
 - ° Airsport Club
 - ° Schools
 - ° Free Time
 - ° Events Kids Zone
 - ° “Waiting Time”

To be efficient we have to:

- > Share our skills, domains of expertise and resources
- > Set a timing to punctuate our work
