

CIVL 2025 PLENARY – ANNEXE 39X
PROPOSAL - ADJUSTING JUNIOR CATEGORY

Slovenian NAC

Background

This proposal has been compiled following some issues and confusion during the registration for the Junior Worlds. The previous rule did not appear to be clear to all the pilots and simplifying it as follows should make this clear for everyone.

Proposal

FAI Sporting Code, Common Section 7 - 1st May 2025

Current rule

2.2.2. Categories

First and Second Category events may take part in the following categories: Individual, Team Overall, Men, Women, Junior.

Junior categories are called Junior U-XX (for Under XX-year of age). The age is determined by the calendar year in which the pilot has his birthday. If the category is Junior-26, a pilot being 26 or younger can still compete for the Junior class.

The categories are

- XC: Junior U-26.
- Accuracy: Junior U-26.
- Aerobatic: Junior U-23.
