### BERRY SPECIAL MEALS

According to Honoré de Balzac, the famous writer, meals were more sumptuous in PARIS but the real tastes were in BERRY.

Food is always a pleasure there. For instance, you can taste “le poulet au sang” (chicken with blood sauce), “les œufs à la couille d’âne” (eggs boiled in wine), fillet of carp, and many other special meals.

BERRY green lentils, potatoes, tarts or salads with walnut oil can be some delicious side orders. Afterwards, you can have one of the numerous goat cheeses from this area.

As a dessert, enjoy some delicious fruit-cakes and the wines from REUILLY (15 km away from ISSOUDUN) to underline the whole meal.
