

2014 TROPHY REPORT

by CIAM Secretary, Massimo Semoli

At this moment, we have 97 trophies registered: 52 are World Championships trophies, 22 are dedicated to European Championships and 23 are reserved for World Cup classes.

The help of FAI jury members is continuously required in order to check the proper conditions of our trophies.

Big improvements have been achieved:

- When applicable, all the 2014 Championship Bulletins mentioned the trophies to be awarded.
- A lot of Trophies transfer forms have been delivered by the FAI Juries. Mainly for the World Championships.
- We were able to identify the real status of many trophies.

However, we have to improve the promotion and divulgation of the trophies also announcing the awarded competitors:

- Only one Championships results included the awarded trophies, when applicable. The FAI juries are required to check this inclusion when they sign the championship results.
- Also FAI office is required to chase the organisers to provide the awarded trophies when they are missing and to publish them jointly with the results of a championship.
- The use of the trophy transfer form for the World Cups has to be improved.

Since the holders are responsible for maintaining the trophy in good condition, the CIAM Bureau monitoring will continue each year.

The list of the trophies status is in the “Documents” page of the FAI aeromodelling website.

The 2014 Plenary meeting approved the Trophies Donated after the 2013 Plenary Meeting. The CIAM Bureau felt that it was important that these trophies be presented at the 2013 Championships and approved the awarding of the three trophies in 2013 ahead of the 2014 Plenary at which it is proposed that they be adopted:

- FAI Junior World Championship For Radio Control Duration Gliders Team Trophy donated by France and Serbia.
- FAI Junior World Championship For Aerobatic Model Aircraft individual “Floating Trophy” donated by South Africa

- FAI European Championship For Control Line Aerobatic Model Aircraft Team trophy “Luciano Compostella” donated by Italy

The 2014 Plenary meeting approved new Trophies for 2014 championships. Five trophies have been donated and awarded in 2014, with the exception of the F3CN European Championships that were not held this year:

- FAI Junior European Championship For Aerobatic Model Aircraft Individual Trophy “Princess Marie of Liechtenstein” graciously donated by Her Serene Highness Princess Marie of Liechtenstein.
