

CIAM BUREAU MEETING – April 18,2014

DECISIONS

1. Approval of the Education Sub-Committee proposed person –Loic BURBAUD (FRANCE) BA 5
2. Team Classification proposal was referred back to the Bureau for further consideration
Amendments were decided and a document with all of them will be presented. BA 11
3. A decision to award medals for the 2nd and 3rd places at World Cup classes was taken BA 16
4. After checking with FAI office and find out that the number of embroidered badges sold the last few years is very low, we decided not to produce such badges for CIAM. BA 17
5. Scale S/C will propose about the future of trophies no longer awarded for scale events. A decision was taken to ask the persons who were awarded last time those trophies to return them to FAI office. BA 18
6. A decision was taken to sign an MoU between CIAM and FAI/FAME.
7. We have decided to wait and review together with all the rest of the Airsports Commissions the FAI Doping Control results. BA 21
8. We have decided to implement a questionnaire regarding UAV and FPV activity within May, which will be sent to all NAC's by June. Then CIAM will consider the situation and prepare proposals to be forwarded to FAI EB regarding definitions. BA 23
9. FAI Head office is going to deal with transportations of sporting articles and CIAM will prepare some guidelines for the organizers regarding batteries. BA 24
10. A decision was taken that CIAM Sub Committees will be involved checking first the submitted bids to host any category 1 event. After the S/C initial approval the bid will be forwarded to the Plenary or the Bureau for the final approval.

At a later stage CIAM Sub Committees will be responsible to select the Jury members, the judges or any other official required by the rules. BA 26
11. A decision to form a WG to prepare a CIAM Jury handbook was taken. In addition CIAM will forward to CASI proposals to be included on the long existing FAI Jury Handbook. BA 32

12. A “Jury Pack” will soon be uploaded to CIAM web site, to assist the Jury members to their activity. This pack will include checklists, sample documents, templates for reports and any other material which can be used by the jury members to perform better and also to standardize the procedures.
