Year 2002 Report

The F3C R/C Helicopter Subcommittee (S/C) has 24 members with 20 members having email addresses listed on the FAI web site.

The main discussion within the F3C S/C during the past year focused on refinement of VOLUME F3C in the 2002 FAI Sporting Code. Additional comments were received during the 2002 F3C European Championships in Romania in August. Two rules change proposals were submitted by the S/C on 13. October. The proposals present clarifications to VOLUME F3C of the 2002 Sporting Code.

An FAI Jury report for the 2002 F3C European Championships was submitted to FAI headquarters 13. October.

Horace Hagen
Chairman
