Motion N°1

Motion to amend the performance Bond and Sanction Fee requirements by adding the following paragraph for World and Continental Championships.

“Where a test event is sanctioned as CAT1, any remaining portion of the test event’s performance bond may, at the organizer’s request, be applied to the performance bond for the main Championship. Alternatively, the organizer may elect to pay the performance bond for the main Championship by the deadline for the test event. Any portion of the performance bond forfeited for the test event, would have to be replaced in time for the main championship.”
