AUSTRIAN BALLOONING REPORT 2011

Mr. President, dear Delegates!

The number of active pilots and hot air balloons in Austria is decreasing.
At the time we have 32 pilots in our national hot air ranking list.

Last year we had in Austria no accidents and no incidents.

The Austrian national championship 2011 took place in Puch/Styria with 36 competitors from Austria, 12 competitors from Germany, 3 from Luxemburg, 2 from Switzerland and 1 competitor from Lithuania.

During the year there were 5 hot air balloon meetings in our country.

3 pilots participate in the Hot Air European Championship in Lleida, 1 pilot in the World Balloon Trophy in Echternach and the Gordon Bennett Race in France.

For further information, dates and places regarding balloon events in Austria please refer to our website www.ballon-austria.at !

Soft landings
