After 2021 Plenary Meeting the F3 Aerobatics Subcommittee was reorganized. The actual F3 Aerobatics Subcommittee period May 2021 till April 2022 has 24 members and additionally there are World Cup Coordinators for F3A and F3P

The Subcommittee and the Working Groups worked actively and in a very cooperative way during the last year, although the troubles with Covid 19 had some influence on motivation. A big thank to the Working Group Coordinators.

Due to Covid 19 a big number of F3A World Cup competitions could not take place. Nevertheless six FAI Open Internationals were held in Czech Republic, France, Italy, Austria, Belgium and Switzerland. Two of them took place before July 1.

The F3A World Championship awarded to USA had to be cancelled. Since the 2023 F3A World Championship has already been awarded to Australia, the USA will organize the 2025 F3A World Championship.

The F3P World Championships scheduled for November in Romania were canceled, too.
