The image features three computer monitors arranged in a row. The central monitor displays the 'watchmefly SCORING' logo, which consists of the word 'watchmefly' in a dark blue, lowercase sans-serif font with a thin underline, and the word 'SCORING' in a larger, bold, dark blue, uppercase sans-serif font below it. Above the 'watchmefly' text is a small graphic of five colorful triangles (red, blue, orange, green, purple) pointing upwards. The two monitors on either side show various data dashboards with tables, charts, and navigation menus, all rendered in a light gray and white color scheme.

FAI World Hot Air Balloon Ranking List

This is the official page for the FAI World Hot Air Balloon Ranking List. Rankings will be updated approximately every 3 months and are based on a combination of rankings from the previous five FAI World Hot Air Balloon Championships and FAI World Air Games plus the country rankings for each National Aero Club (NAC). These rankings should only be used for information purposes only and should not be used for event selection purposes.

For more information about how these rankings are calculated, please visit the [FAI World Hot Air Balloon Ranking List Explained](#) page.
