

**CIVL 2022 PLENARY – ANNEX 33G**  
**SLOVENIA – PROPOSAL FOR S7A - PENALTIES**

---

## **1. Recommendation**

**Recommendation:** Adding a new sentence for the penalties

### **6.3 Specific Penalties**

In case where task has been stopped or cancelled and a penalty cannot be given because the task has not been scored, a pilot will receive 1<sup>st</sup> offence penalty in the form of Official warning.

**Comment:** Adding this would mean that a pilot can receive a penalty for their actions but because a pilot cannot get a penalty due to a task not been scored, they can still get a 1<sup>st</sup> offence penalty in the form of Official warning.
