

**ANNEX A.2m**  
**FEDERATION AERONAUTIQUE INTERNATIONALE**  
**NOMINATION FORM**

**CIAM AEROMODELLING SCHOLARSHIP**

(for applicants from the age of 16 up to the age of 21 in the year of nomination)

From NAC : Aeronautical Union of Serbia

Date : November 12, 2014

Address : Uzun Mirkova 4/I, 11000 Belgrade, Serbia

Country : Serbia

(only one person from a country may be nominated annually by that candidate's National Airsport Control)

(submitted nominations must include an electronic format photograph of the nominee)

Name of Nominee : Miodrag V. CIPCIC

Date of birth: April 4, 1995

Address : Ivana Jaksica 35, 23300 Kikinda, Serbia

**Scholastic Accomplishments and Educational Plans** (please list & continue on a separate sheet if necessary):

Miodrag V. CIPCIC completed his elementary school and high school education in his native town Kikinda. He had excellent marks during his school education and received many diplomas for his achievements in different areas: technique, excellent command of foreign language (French), psychology, music and general promotion of his school. This year he started his studies at the Agricultural Faculty in Novi Sad. He plans to continue his studies up to PhD degree. He is fluent in English and French and has very well knowledge of IT. He wishes to combine professionally his education and knowledge of rocketry one day. (Continued overleaf).

**Aeromodelling Achievements up to the age of 21** (for example World or Continental Championships, National Championships, World Cups, Records, Technical Innovations. In the case of competitions, include the name, date, and location of each competition, the class and the position achieved.) (Please list & continue on a separate sheet if necessary.)

Miodrag V. CIPCIC joined Aeroclub Kikinda as a young boy because his whole family is firmly involved in air sports. His grandfather and his uncle were parachuters and his father and uncle are top spacemodellers and producers of famous „Ultra“ SM engines and holders of the FAI Antonov Diplomas. Miodrag is a SRB NAC junior team member for years. He is junior space models World Champion for 2012 and European Champion for 2013 in Class S5B – Scale Altitude. Now, although still being under 21 years old he is a member of NAC SRB SM Senior team (Continued overleaf).

**Personal Statement: What role did Aeromodelling play in your life and what are your aspirations for the future?** (One page to be written in the Nominee's own hand and attached to this form. If written in a language other than English, then please attach a typed translation as well as the hand-written original.)

Given in Serbian on a separate sheet attached together with translation.

NAC Signature :

\_\_\_\_\_  
President or Secretary General of nominating FAI National Airsport Control

(must be submitted to the FAI Office by November 15)

**Scholastic Accomplishments and Educational Plans** (please list & continue on a separate sheet if necessary):
