## OFFICIAL BID

*for organisation of the*

**4th European Parachuting Championships in Freefall Style  
and Accuracy Landing 2005**

**and**

**1st Junior European Parachuting Championships in  
Freefall Style and Accuracy Landing 2005**

Prague, 8th November 2004

# MAIN IDEAS OF OUR BID

## **1) THERE IS NO TOP S&A COMPETITION PLANED IN EUROPE for 2005**

We are offering a top level S&A Championship to fulfill this possible "vacuum" in Europe where most of the world S&A teams come from

## **2) IN THE HEART OF EUROPE**

The geographical location of Czech Republic gives most of team the chance to use a cheap road transoort to the competition site.

## **3) EUROPEAN S&A CHAMPIONSHIP TRADITION**

The European S&A Championship is not organized on a regular basis yet. So, this is our try to start a new tradition

## **4) MORE ATTENTION TO JUNIORS**

To participate on the 2004 JWPC in Russia juniors had to pay EUR 520/470 + air ticket to Moscow per each individual competitor! We are ready to sponsor the junior category /as an additional part to the senior Championship/ with EUR 395/320 + cheap transport by car possible.

## **5) TROUBLE FREE CHAMPIONSHIP**

For a trouble free Championship we are hiring the top experienced and IPC recognized Weckbecker company to run their equipment for Accuracy and a Public Judging system of Style.

## **6) NO CUTS – MAXIMUM COMPETITION JUMPS FOR ALL PARTICIPANTS**

It is very confusing for lower experienced competitors to be eliminated from Style event after one or two jumps only. Where can they collect more top competition experience? In our Championship all participants will jump a full program /8 x ACC; 3x STY/. Only the best 20 individual men and women will add one semifinal and 50 % of them one more "final" jump in both disciplines.
