4. ☒ At least 3 years NAC delegate to FAI Aeromodelling Commission (CIAM) or another function within CIAM:

Dag Eckhoff has served as Chairman of the Helicopter Subcommittee from 2011 to date, and has served as a Member of the Helicopter subcommittee from 1992 until accepting the position of Chairman of the Subcommittee in 2011.

5. ☒ Shown outstanding merits in developing aeromodelling by organisational activities:

Description: (please print)

Dag Eckhoff has been one of the major forces behind the development of the modern model helicopter competitions and the different manoeuvre descriptions which presently are incorporated in the rulebook.

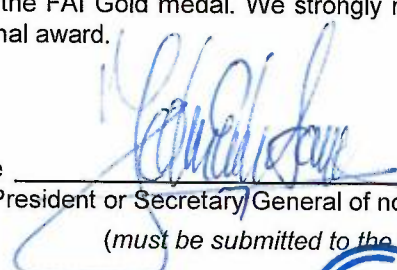

Dag Eckhoff was also instrumental in developing, and gaining acceptance for, the World Championship FAI competition class F3N Freestyle Helicopter class. This class has turned out a very popular class among young pilots, and as such serves a much needed recruitment basis.

Dag Eckhoff has been the major driving force behind the development of the national aeromodelling helicopter competitions since the early 1980s, and made major contributions to popularizing the competition class both in Norway and in the Nordic countries.

To summarize, Dag Eckhoff's outstanding commitment to promoting and developing the aeromodelling helicopter sport, spanning four decades, makes him eminently well qualified for receiving the FAI Gold medal. We strongly recommend him as a most deserving candidate for this international award.
